PROCEEDINGS OF THE COUNTY COMMISSION eas .- At their session, yesterday, the County Commissioners passed orders amounting in the aggregate to \$3,062 30, of which \$2,125 was paid to Evans and Swift, being interest on County bonds; \$367 33 monthly pay roll of the attaches of the L. R. L. Asylum, and \$133 33 salary of Superintendent of same. A petition, signed by about forty members

of the Bar, was read, of which the following is a dopy : To the Commissioners of Hamilton County, John McMakin, John N. Ridgeway, and Michael

Goepper, Esqs.:
The undersigned, your petitioners, respectfully represent that the Administrative Dockets of Cincinnati, being now sixteen in number embracing some twenty thousand estates, (and in the oustody of the Probate Court,) should have a general index, arranged and classified alphabetically and chronologically. Your pe-titioners further represent that the prolonged and vexatious search now required to find any estate has made a General Administration Index for Hamilton County a work of imperative necessity. Your honorable body having the power to order such work to be done, your pe itioners therefore pray that you will immedi ately contract for the doing of the same, and that you will require the work to be completed within as short a time as the nature of the case will admit.

Accompanying this petition is the following

proposition:

PROBATE COURT, HAMILTON Co., O., S., CINCINNATI, April 30, 1859.

To the Honorable the Board of County Commis sioners of Hamilton County, Ohio:

I hereby respectfully apply for the work in the above petition prayed for. I respectfully suggest the following conditions:

1. That four months be allowed for the completion of the Ludes.

letion of the Index.

2. That five cents be allowed for each case indexed. 3. That the county furnish all books and stationery necessary to the proper completion of the Index, alphabetically, in the name of the deceased, and also in the order of time in which the letters were granted, allotting twenty the first values of the Index, and ten years to the first volume of the Index, and ten years to each succeeding volume.

I respectfully suggest the above for the con-sideration of your honorable Board, and in-close a copy of the law upon which this appli-cation is based. I also hereto attach index of Judge Hilton's consent to my prosecuting said work, he being by law the custodian of the Probate records of the county. All of which is respectfully submitted.

EDWARD CRAPSEY. I consent to Mr. Crapsey's use of the dockets for the above purpose. G. H. HILTON,
APRIL 30, 1859. Probate Judge. Action on the above proposition was de-

ferred until the first of July. Michael Elliott, Patrick Sullivan, John Henry and Teddy Ryan were discharged from jail, they not having funds wherewith to pay the fines and costs charged against them.

"THE DESCRIBER OF GENUINE BANK-NOTES," supplementary to "White's Bank-note Reporter," is an invaluable little work, and should be found in every counting-house and on every counter throughout the Union. It is an octavo pamphlet of eighty pages, and contains accurate descriptions of all notes issued in the States and Canada. In the few remarks which are prefatory to the "Describer" the following are unquestionably true: "When the crime of counterfeiting is, in this our day, so rife throughout the length and breadth of the land, there is nothing which the public need so much as a reliable monetary guide." It is our opinion that the "Describer" is worthy of public patronage.
